Dear Rider,

Here is your entry for the Tokoroa Forestland Lakes Charity Ride, Sunday March 7th, 2010 at 10.00am (rain hail or blizzards). You are assured of priority entry this is your personal invitation.

The 20km and 35k rides are, as in the past, almost entirely within Taumata/Hancock's (ex CHH Forests) sealed private roads.

The 70km ride has been changed this year and will now go in a loop on SH 32 to Whakamaru and SH 30 beside the Waikato River, before moving onto forest roads returning to the start via Cashmore Hill (see Map). All rides start from the Trees Tavern, Main Road (SH1) Tokoroa.

You can stay informed from our web site - www.tokoroalions.com and can download the ride map and details for each ride and another entry form from there also. Browse through some of the previous ride results and the photo gallery while you are there. The 70 km ride is over a reasonably testing course but the 35k and 20 k rides are almost flat. The 20km ride is designed as a leisurely ride for mum and/or dad and the kids (one adult to a group of less than 5 children). On this ride we will have something for the kids at the half way point – out of the path of the elite riders. We have a special \$10 price for the kids to make it affordable for all, but you will understand that the low price does not qualify the kids for a place in the spot prize draws and you need to have an accompanying adult (paying full fee) to qualify.

There will be an assortment of excellent prizes offered again this year but you will need to be at the prize giving (1.30pm) to collect your prizes. Meal and drink choices will be available at the venue at the conclusion of the ride. Tees are on sale at the venue as well.

\$30.00 Pre-Entry Fee **\$35.00** On the Day
\$2.00 Certificate (postage & handling)

The proceeds of the ride will go to the Salvation Army, Tokoroa. We hope we can make lots of money for them with your help. We look forward to seeing you on the ride.

Jon Welch, Ride Organiser.
